Mlango Katika Infinity: The Door into Infinity, Swahili edition

In Las cartas que no llegaron, Rosencof invents letters to take the place of those that never came, imagining what might have happened, beginning with the arrival of the Gestapo in the relatives' village to the deportation to Treblinka, a Nazi concentration camp, even imagining a kind of rebellion led by the prisoners in the camp. My prayer is not that a consul may march in triumph along Araxes banks, nor that Rome's power may crush the archer Persians and Susa their capital, nor yet that we may plant our standards on the Red Sea's strand.

Coddington leapt to industry leadership, began manufacturing billet aluminum.

To sum up what I wrote before: basically, I liked the book for parts of it, and it is very quoteable, but it is very much about a totally selfish person's post-retirement crisis. In the spring of it moved into a brick building of its own at the corner of 15th and Market streets. I tried to write it like a standalone fic. Continue to 3 of 4 .
