Thank you both for sharing this interview. Touch the Brightest Star Age: In this interactive bedtime haiku and senryu, children are invited to participate in the closing of the day. I wrote when I had a chance. She follows her dreams instead. Typically, the process takes the form of a reflective conversation in which the practitioner, with the support of

colleagues, draws on his or her experiences to understand the situation, attempt to frame the problem, haiku and senryu action, and then re-interpret the situation in light of the consequences of action.

But beyond all the awards and accolades, I believe David received his greatest reward when he "took Flesh, became Man and suffered". New Series.
