If you are driving in the snow, then it means that you need to be extra cautious about how you approach your goals. For the muffled murmur throughout the land was the sound of the slave, his tortured breathing rustling the pages of the Declaration of Independence, scaring up from the dry parchment the great truths placed there by Jefferson. Companies engaged in salt production installed steam-powered pumps to help control the water levels because natural fluctuations of the lake could no longer be depended upon to fill the ponds.
