A Tie is a curved line that connects two notes of the same pitch. While I began to have an inkling of the connection, Knox kept the details sparse enough and the suspense high enough that I was never sure of what I knew and what I had missed completely. General Eisenhower was so glum and weary with these worries, plus the first home-front criticism of his combat direction, that I couldn't bring myself to complain about my own health. Reason is the enumeration of qualities already known; imagination is the perception of the value of those qualities, both separately and as a .
